Test	Description	
Stroke, Vascular & Heart Rhythm Package (CA, PAD, AAA, AFIB) <u>Packages range from \$129 - \$159</u>	CA	Carotid Artery – checks for plaque build-up in the carotid artery. This is the #1 cause of stroke
	PAD	Peripheral Arterial Disease – checks for plaque build-up in the arteries of the lower extremities
	AAA	Abdominal Aortic Aneurysm – measures the diameter of the aorta, to detect the presence of an aneurysm
	AFIB	Atrial Fibrillation – six-lead electrocardiogram to detect an irregular heartbeat
Not included in Vascular package	OS	Osteoporosis - to detect the risk of osteoporosis by measuring for the bone mineral density of your heel, as it is similar to that of the hip

Pre-Registration on this form gives you a \$10 discount on either package
